Choosing the Perfect Set – Materials, Sizes and Advice

Now we've probably all seen lots of outdoor sofas over the years, but did you ever stop to see what makes one different from the other? The answer is often not quite obvious, as sometimes it's the quality of material and the potential longevity of the set that will in the end determine the value for money that it offers.

At [Garden Centre Shopping UK](https://www.gardencentreshopping.co.uk) we only sell weatherproof sofa sets, which require no maintenance what so ever, and can be left outside all year round.

You can buy 2 seater sofa sets, 4 seater sofa sets, 6 seater sofa sets, and 8 seater sofa sets, including rattan sofa sets, Winawood sofa sets, and Reclining sofa sets, all available to purchase online, with UK delivery included in the price (see individual products as this is sometimes stated otherwise).

You can also see our entire range of garden furniture sets here:
